ASSIGNMENT

I, Bernard K. Marshall, a citizen of the United States of America, residing at 375 High School Lane, Kenova, West Virginia 25530, hereby declare that I am an inventor of an invention relating to a **DECOMPOSITION OF CUMENE OXIDATION PRODUCT** described in an application for Letters Patent of the United States of America filed:

[] herewith

[X] on July 19, 2002 under U.S. application Serial Number 10/199,770.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I hereby sell, assign, and transfer to **Sunoco Inc., (R&M)** a Pennsylvania corporation having a place of business at 10 Penn Center, 1801 Market Street, Philadelphia, PA, 19103-1699, its successors, assigns and legal representatives, my entire right, title and interest in and to all subject matter of which I am an inventor and which is set forth in the application for Letters Patent of the United States entitled together with the entire right, title and interest in and to all patent applications and patents of every country for such subject matter, including divisions, reissues, continuing applications, and extension thereof, and all rights of priority resulting from the filing of said applications.

I authorize the above-named assignee to apply for patents of foreign countries for such subject matter, and to claim all rights of priority without further authorization from me.

I agree to execute all papers useful in connection with such United States and foreign application, and generally to do everything possible to aid the above-named assignee, its successors, assigns and legal representatives, at their request and expense, in obtaining and enforcing patents for such subject matter in all countries.

I request the Commissioner of Patents and Trademarks to issue all patents granted for such subject matter to the above-named assignee, its successors and assignees.

I hereby covenant and warrant that my assignment is free and clear of all licenses, encumbrances and liens, and that I have not executed and will not execute any instruments to conflict therewith.
