PATENT ASSIGNMENT

I, César Hugo Olivera, of Lafuente 3265, Ciudad de Buenos Aires 1437, ARGENTINA, for good and valuable considerations paid to me, the receipt and sufficiency whereof are hereby acknowledged, have sold, assigned, conveyed and set over, and do hereby sell, assign, convey and set over unto Descorjet Sociedad Anónima, a corporation of the city of Buenos Aires, Argentina, having a place of business at Culpina 160, Buenos Aires 1406, Argentina, its successors and assigns, my one half of the entire right, title and interest in and to all subject matter invented or designed by me and disclosed in the application for Letters Patent of the United States entitled STOPPER EXTRACTOR, U.S. Patent No. 6,386,069, executed by me on the date hereinafter set forth, and any divisions and continuations thereof and in and to all Letters Patents of the United States of America including any reissues and extensions thereof that may be obtained therefor, and the full right to claim for any such application the benefits of the International Convention; and, I hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America, whose duty it is to issue Letters Patent, Inventor's Certificates, Utility Models and Designs that may be granted for said invention to said Descorjet Sociedad Anónima, its successor and assigns.

And for the above-named consideration, I hereby agree that I will, without additional compensation but without costs to me, promptly communicate to said Descorjet Sociedad Anónima, its successors and assigns, any facts known to me respecting said invention whenever requested, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing and reissue applications for Letter Patent, Inventor's Certificates, Utility Models and Designs and assignments thereof, make all rightful oaths and generally do everything possible to aid the said assignees, its successors and assigns, as and when requested by them, in obtaining and enforcing proper patent, utility model and design protection for said invention or inventions and improvements, in the United States.
