## ASSIGNMENT

WHEREAS, I, Gregg Wagner, of 1368 Cedar Avenue, Boulder, Colorado 80304, have invented a certain new and useful invention entitled "HANDHELD, PORTABLE COLOR MEASURING DEVICE WITH DISPLAY," for which a utility application for Letters Patent of the United States, identified as U.S. Patent Serial No. 09/854,344, was filed on May 11, 2001, Attorney File No. 08039-00693; and a PCT application, identified as PCT/US02/04906, was filed on December 28, 2001, Attorney File No. 08039-00726;

AND WHEREAS, Color-Spec Technologies, Inc., a corporation of the State of Colorado, having an address of 3225 E. 2nd Ave, Denver, Colorado 80206 ("Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention, including the right to sue for past infringement, and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

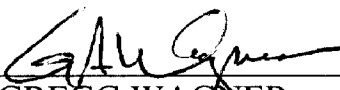

NOW THEREFORE, be it known that I, the said inventor, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, do sell, assign transfer and set over unto, Color-Spec Technologies, Inc., its legal representatives, successors, and assigns, the entire right, title and interest in and of said invention as set forth in the above-mentioned application, including the right to sue for past infringement, including any provisional, original, continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention;

UPON SAID CONSIDERATION, I hereby agree with the said Assignee that I will not execute any writing or do any act whatsoever conflicting with these presents, and that I will, at any time upon request, without further or additional consideration but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuations, continuations-in-part, re-examined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and insure to the benefit of the assigns and legal representatives of Assignors and Assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Color-Spec Technologies, Inc., its legal representatives, successors, and assigns, as the Assignee of the entire right, title and interest therein and to said patent and the invention covered thereby.

IN WITNESS WHEREOF, the party hereto has executed this Assignment as of the date indicated hereunder.
