## ASSIGNMENT

WHEREAS We, the below named inventors, hereinafter referred to as Assignors, have made an invention entitled **ARCHITECTURE FOR AUTOMATIC EVALUATION OF TEAM RECONNAISSANCE AND SURVEILLANCE PLANS**, for which We filed a patent application in the United States Patent and Trademark Office on February 21, 2002; and

WHEREAS, General Electric Company, a corporation of New York whose post office address is K-14A70, P.O. Box 8, Schenectady, NY 12301 (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention and any improvements in this invention in all countries throughout the world, and in and to the patent application on this invention and all applications for Letters Patent which may hereafter be filed for this invention and any improvements in this invention, and all Letters Patents to be issued upon these applications;

NOW THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) in hand paid and other good and valuable consideration the receipt of which from Assignee is hereby acknowledged, We, as Assignors, have sold, assigned, transferred and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title and interest in and to this invention and any improvements in this invention, this patent application, and all applications for Letters Patent which may hereafter be filed for this invention and any improvements in this invention in the United States and all divisions and continuations thereof and all Letters Patents of the United States which may be granted thereon and all reissues thereof, and all rights to claim priority on the basis of the above patent application, as well as all rights to claim priority on the basis of all applications for Letters Patent which may hereafter be filed for this invention and any improvements in this invention in the United States, and all applications for Letters Patents which may hereafter be filed for this invention and any improvements in this invention in any foreign country and all Letters Patents which may be granted on this invention and any improvements in this invention in any foreign country, and all extensions, renewals, and reissues thereof; and We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patents for this invention and any improvements in this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that We have the full right to convey the interest assigned by this Assignment, and We have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY further covenant and agree that We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to us respecting this invention and any improvements in this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention and any improvements in this invention in said Assignee, its successors or assigns, execute all applications for letters Patent, divisional continuation, and reissue applications, make all right oaths and generally do everything possible to aid Assignee, its successors and assigns to obtain and enforce proper patent protection for this invention and any improvements in this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.
