ASSIGNMENT

WHEREAS, Filtertek, S.A., a corporation organized and existing under the laws of the State of France, having a place of business at Z.A. Du Pre' de la Dame Jeanne, B.P. 11, 60128 Plailly, France, hereinafter called the "Assignor", may own by way of assignment all right, title and interest to the invention described in the United States patent application entitled Filter for Fluids, for a full description of which reference is here made to an application for Letters Patent of the United States filed on January 10, 2001, and assigned Application Serial No. 09/743,740;

WHEREAS, Filtertek Inc., a corporation organized and existing under the laws of the State of Delaware, having a place of business at 11411 Price Road, Hebron, Illinois 60034, U.S.A., hereinafter called the "Assignee", desires to acquire the entire right, title and interest in and to the invention and the patent application identified above, and all patents which may be obtained for said invention, as set forth below;

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00), and other valuable and legally sufficient consideration, the receipt of which by the Assignor from the Assignee is hereby acknowledged, the Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer to the Assignee, the entire right, title and interest for the United States in and to the invention and the patent application identified above, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

The Assignor hereby covenants and agrees, for both the Assignor and the Assignor's legal representatives, that the Assignor will assist the Assignee in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that the Assignee may elect to make covering the invention identified above; in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or patent; and that the Assignor will execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Assignment.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, the Assignor has executed this agreement.
