ASSIGNMENT OF PROPRIETARY RIGHTS

WHEREAS, ACCELERATED LEARNING AND TRAINING SYSTEMS FOR GOLF, INC., a Georgia corporation (“Assignor”), may possess certain proprietary rights (including patents, patent applications and inventions (whether patentable or not) and any reissue, continuation, continuation-in-part, division, foreign counterparts, and extension or reexamination thereof; trademarks, service marks, trade dress, logos, trade names, URLs and corporate names, together with all goodwill associated therewith and adaptations and deviations thereof; copyrights; and all registrations, applications and renewals for any of the foregoing; databases and data collections; trade secrets and confidential and proprietary information (including, but not limited to, formulae, ideas, know-how, functionality, specifications and designs and proprietary computer software (including, without limitation, source code, object code, data and related documentation)) in and to the research, development, creation, and products of human movement monitoring and training systems, including golf swing training systems, and systems utilizing infrared and image detection for monitoring motion, including inventions and improvements disclosed in U.S. Pat. No. 6,261,189 entitled “Human Movement and Golf Swing Monitoring and Training System” and U.S. Pat. Serial No. 10/086,392 entitled “Ergonomic Motion and Athletic Activity Monitoring and Training System and Method” (the “Proprietary Rights”); and

WHEREAS, Accelerized Golf, LLC, a limited liability company organized under the laws of the State of Georgia (“Assignee”), is desirous of acquiring all Assignor’s rights, title and interest in the Proprietary Rights;

NOW, THEREFORE, for and in consideration of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which we hereby acknowledge, Assignor, by these presents does sell, assign and transfer unto Assignee, Assignor’s entire right, title, and interest in and to said Proprietary Rights, and in and to all inventions and improvements disclosed and described in U.S. Pat. No. 6,261,189 and U.S. Serial No. 10/086,392;

For the same consideration, Assignor, by these presents does sell, assign, and transfer to Assignee, Assignor's entire right, title and interest in and to any foreign patent, trademark and copyright application or applications corresponding to said Proprietary Rights or claiming priority of the Proprietary Rights, in whole or in part, in countries other than the United States, and in and to the right to claim any applicable priority rights arising from or required for said foreign applications under the terms of any applicable conventions, treaties, statutes, or regulations; said foreign applications to be filed and issued in the name of Accelerized Golf, LLC, or its designee insofar as permitted by applicable law;

AND, for the same consideration, Assignor agrees, without charge to Assignee, but at its own expense, to sign all lawful papers, execute all domestic and foreign applications claiming priority to the Proprietary Rights, make all assignments and rightful oaths, cooperate as necessary to perfect Assignee's title to any grant of rights herein, and generally do everything reasonably possible to aid Accelerized Golf, LLC, its successors, assigns, and nominees, to obtain and enforce proper protection for the Proprietary Rights in all countries throughout the world.
