ASSIGNMENT

WHEREAS, International Game Technology, a corporation of the State of Nevada having a principal place of business at 9295 Prototype Drive, Reno, Nevada 89511, hereinafter referred to as assignor, has acquired the entire right, title and interest in certain new and useful improvements in an invention described or intended to be described in the application for United States Letters Patent, entitled, Electronic Prize Fulfillment for a Gaming System and further described as United States patent application serial number 09/479,754 filed on January 7, 2000; and,

WHEREAS, IGT, a corporation of the State of Nevada having a principal place of business at 9295 Prototype Drive, Reno, Nevada 89511, hereinafter referred to as assignee, is desirous of acquiring the entire right, title and interest in and to said invention, improvement(s), application and any Patent which may be granted therefore or thereupon, together with any and all divisions, continuations, reissues and extensions thereof, and including the right to enforce and sue for any and all past infringement;

NOW THEREFORE, be it known that assignor, for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, does hereby sell, assign, transfer and set over unto said assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to said invention, improvement(s), application and any Patent which may be granted therefore or thereupon, together with any and all divisions, continuations, reissues and extensions therefore, and including the right to enforce and sue for any and all past infringement.

Assignee further hereby authorizes and requests the Commissioner of Patents to issue any Patent which may be granted for or upon said invention or application unto said assignee, its successors and assigns, in accordance with this assignment.

IN WITNESS WHEREOF, assignor has executed this Agreement as of the dated indicated hereunder.

Dated this 22 day of October, 2002.
