Assignment

Whereas, I (we):

Zeger Bok, of San Diego, State of California,
John Brajkovich, of Lake Elsinore, State of California, and
Jay L. Smith II, of Carlsbad, State of California,

respectively, have invented certain improvements in:

High-Accuracy Placement Method Utilizing Double Pick and Place

identified by Attorney Docket No. 034P0101, hereinafter called the "invention", and
executed a United States Patent Application concurrently herewith; and

Whereas, the Assignee, Palomar Technologies, Inc., a corporation of the State of
Delaware, having a principal place of business at 2230 Oak Ridge Way, Vista, CA 92083-
8341, desires to acquire the entire right, title and interest in the invention and said patent
application, and to any United States and foreign patents to be obtained therefor;

Now therefore, for good and valuable consideration paid to us by the Assignee, the receipt
and sufficiency of which we hereby acknowledge, we, hereby sell, assign and transfer to
the aforesaid Assignee its successors and assigns:

The entire right, title and interest in said invention in the United States and
foreign countries, including said United States patent application and all
patent applications corresponding to said United States patent application
filed in foreign countries, all Letters Patents issuing thereon in the United
States and foreign countries, all divisional, continuation and
continuation-in-part patent applications of said United States patent
application or corresponding foreign patent applications, and all reissues,
reexaminations, and extensions of Letters Patents issuing thereon; and

The right to file patent applications on said invention in Assignee's own
name, wherever such right may be legally exercised, including the right to
claim the benefits of the International Convention for such applications.

We hereby authorize and request the United States Commissioner of Patents and
Trademarks, and such officials in foreign countries as are duly authorized by their patent
laws to issue patents, to issue any and all patents on said invention to the Assignee as the
owner of the entire interest, for the sole use and behoof of the Assignee, its successors,
assigns and legal representatives.

We hereby agree, without further consideration and without expense to us, to sign all lawful
papers and to perform all other lawful acts which the Assignee may request of us to make
this Assignment fully effective.

This assignment and agreement shall be binding upon our heirs and legal representatives.
