ASSIGNMENT

We, JOSEPH Y. HUI, a citizen of The United States of America, residing in Fountain Hills, County of Maricopa, State of Arizona, and BERNARD M. VAN EMDEN, a citizen of the United States of America, residing in Scottsdale, County of Maricopa, State of Arizona, have made an invention(s) as disclosed in the application for United States patent filed in the U.S. Patent and Trademark Office entitled:

AGILE DIGITAL COMMUNICATIONS NETWORK
WITH RAPID REROUTING

Acting on behalf of Arizona State University, located in Tempe, Arizona, with an office for conducting business at the Office of Technology Collaborations and Licensing, Arizona State University, P.O. Box 873511, Tempe, Arizona 85287-3511, the Arizona Board of Regents, a corporate body organized under Arizona law, wishes to acquire the entire right and title to and interest in the invention and any improvements on the invention and the above-identified patent application and any patent that may be obtained for the invention.

We, JOSEPH Y. HUI and BERNARD M. VAN EMDEN, in accordance with the Arizona State University patent policy, for and in consideration of the sum of \$1.00 paid to each of us by the Arizona Board of Regents, and for other valuable consideration, the receipt of which is acknowledged, have sold, assigned, transferred, and conveyed and by this document do sell, assign, transfer, and convey, to the Arizona Board of Regents, its successors and its assigns the entire right and title to, and interest in the invention for which we have made the above-described application and all improvements on the invention, the above-identified patent application, any continued prosecution patent application (CPA), division, continuation or continuation-in-part that claims priority from the above-identified provisional application filed November 2, 2001, and all United States and foreign patents that issue on the above-identified invention and improvements, and all United States and foreign patents and patent applications that claim priority from the above-identified patent application including any patent extensions, renewals or reissues, all for the full term or terms for which any of the foregoing may be granted.

We, JOSEPH Y. HUI and BERNARD M. VAN EMDEN, authorize and request the Commissioner of Patents and Trademarks to issue any patents of the United States, resulting from any application described above to the Arizona Board of Regents as the assignee of the
