Assignment

In Consideration of the sum of Ten Dollars (\$10.00), and of other good and valuable consideration paid to the undersigned by the Assignee, Bear Technologies, Ltd., a corporation organized under the laws of the State of Ohio, having its principal place of business at 1135 West Portage Trail Ext., Akron, Ohio 44313, receipt whereof is hereby acknowledged, the undersigned by these presents hereby sold, assigned, transferred and set over unto the said assignee the entire right, title and interest in and to the following United States Letters Patent and the inventions or improvements claimed therein:

U.S. Patent 5,834,553

the same to be held and enjoyed by said assignee, its successors, assigns or other legal representatives, to the full ends of the terms of such Letters Patent as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.

And By This Covenant The Undersigned will execute or procure any further necessary assurance of title to said inventions and Letters Patent; and at any time, upon the request and at the expense of said assignee, will execute and deliver any and all papers that may be necessary or desirable to perfect the title to said inventions or any such Letters Patent in said Assignee, its successors, assigns or other legal representatives, and upon the request and at the expense of said assignee, will execute any additional or divisional applications for patents for said inventions, or any part or parts thereof, and for the reissue or reexamination of said Letters Patent, and will make all rightful oaths and do all lawful acts requisite for procuring the same or for aiding therein without further compensation, but at the expense of said assignee, its successors, assigns or other legal representatives.

Signed and sealed this 18 day of November, 2002.
