ASSIGNMENT

Pursuant to our obligation to Revcor, Inc. (hereinafter referred to as "Assignee"),
an Illinois corporation having its principal place of business at:

251 Edwards Avenue
Carpentersville, IL 60110

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, we:

Donald R. Pennington
1113 Thurlby Road
Kingston, IL 60145

Richard G. Hexr, III
634 Sunnyfield Road
Belvidere, IL 61008

confirm our obligation to and hereby sell, assign and convey, unto Assignee, its
successors and assigns, our entire right, title and interest -

(1) in and to an invention entitled "Fan Assembly and Method" for which we
have executed United States Patent Application on even date herewith (Atty File No. 079361-
9005-00);

(2) in and to said United States patent application, in and to all other patent
applications (including divisional, continuation, continuation-in-part, §111(b) provisional,
§111(a), and reissue applications) based upon said invention, and in and to the patent or patents
to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for
which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in
countries foreign to the United States of America, and in and to any and all patents granted on
said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the United States patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of our Assignee with a claim to priority based on said United States application.

And we hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to Assignee.
