A S S I G N M E N T

Whereas we, J. Wayne Halfacre, John S. Gruver, Christian Randhahn, Charles A. Curtiss, Stuart Leslie and Christopher J. Matice, residing, respectively, at 308 Route 39, New Fairfield, Connecticut 06812; 53 Marvin Ridge Road, New Canaan, Connecticut 06840; 37 Milwaukee Avenue, Bethel, Connecticut 06801; 24 Raymond Terrace, Norwalk, Connecticut 06855; 8 Mayhew Avenue, Larchmont, New York 10538; and 768 McBee Road, Bellbrook, Ohio 45305; have made a design invention in:

BEVERAGE CONTAINER

and are about to make application for United States Letters Patent for a design patent therefor, the same having been executed by us on even date or dates herewith; and

WHEREAS, NESTLE WATERS NORTH AMERICA, INC., a corporation organized and existing under the laws of the State of Delaware and having an office and place of business at 777 West Putnam Avenue, Greenwich, Connecticut 06830, is desirous of acquiring the entire interest in said design invention, said United States design patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) to each of us paid, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto the said NESTLE WATERS NORTH AMERICA, INC., its successors, assigns and legal representatives, all right, title and interest in and to said design invention and any improvements thereon for all countries of the world, and in and to said United States design patent application, including any continuations and divisions thereof, and any substitute applications therefor, and any design patents which may

issue thereon, and any reissues of the same, and including the right to claim priority under the International Convention based on said design patent application; and all right, title and interest in and to every design registration application filed or to be filed on said design invention in any other country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all design registrations which may issue thereon, and any reissues and extensions of the same; and we hereby authorize and request competent authorities to grant and issue any and all design patents and design registrations on said design invention to the said NESTLE WATERS NORTH AMERICA, INC., as the assignee of the entire interest therein; and we further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure design patent or design registration protection on said design invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, we have hereunto signed our names and affixed our seals on the date(s) indicated hereinafter.
