ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the receipt, sufficiency and adequacy of which are acknowledged, the undersigned:

SELL, ASSIGN AND TRANSFER to TAMKO Roofing Products, Inc. (the "Assignee"), having a place of business at 220 West 4th Street, Joplin, MO 64801, the entire right, title and interest for the United States and all foreign countries in and to any and all improvements disclosed in the application for United States Letters Patent, which has been executed by the undersigned concurrently and is entitled **"SHINGLES AND METHODS OF APPLYING SHINGLES"** such application and all divisional, continuing, substitute, renewal, reissue and all other applications for patent that have been or shall be filed in the United States and all foreign countries on any of such improvements; all original and reissued patents that have been or shall be issued in the United States and all foreign countries on such improvements; and specifically including the right to file foreign applications under the provisions of any convention or treaty and claim priority based on such application in the United States;

AUTHORIZE AND REQUEST the issuing authority to issue any and all United States and foreign patents granted on such improvements to the Assignee;

WARRANT AND COVENANT that no assignment, grant, mortgage, license or other agreement affecting the rights and property conveyed by this instrument has been or will be made to others by the undersigned, and that the full right to convey the same as expressed in this instrument is possessed by the undersigned;

COVENANT, when requested and at the expense of the Assignee, to carry out in good faith the intent and purpose of this assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all such improvements; execute all rightful oaths, declarations, assignments, powers of attorney and other papers; communicate to the Assignee all facts known to the undersigned relating to such improvements and their history; and generally do everything possible that the Assignee shall consider desirable for vesting title to such improvements in the Assignee, and for securing, maintaining and enforcing proper patent protection for such improvements;

TO BE BINDING on the heirs, assigns, representatives and successors of the undersigned and extend to the successors, assigns and nominees of the Assignee.
