ASSIGNMENT

Page 1 of 2

We, Brian John NELSON of Royal Oak, Michigan
 Gregory DYKSTRA of Grosse Pointe Woods, Michigan
 Matthew George NYQUIST of Grosse Pointe, Michigan

have invented a new and useful process, machine, manufacture, composition of matter, or
an improvement thereof, entitled:

ENGINE INTAKE MANIFOLD

for which we have executed an application for Letters Patent of the United States on
11/26/2002.

DaimlerChrysler Corporation, a Delaware corporation having its principal place of
business at Auburn Hills, Michigan, desires to acquire the entire right, title, and interest in
the invention and under the Letters Patent, and similar protection to be obtained,
worldwide.

In consideration of the payment by DaimlerChrysler Corporation to us of the sum of
\$1.00 and other good and valuable consideration, receipt being acknowledged, we sell,
assign, and transfer unto DaimlerChrysler Corporation, our full and entire right, title, and
interest in the invention worldwide and to all Letters Patent or similar legal protection to
be obtained for the invention worldwide by the application or any continuation, division,
renewal, substitute, re-examination, reissue, or any legal equivalent, for the full term or
terms that may be granted.

We authorize our attorneys, authorized to prosecute said application, to insert the
filing date and Serial Number of the application, to wit, Serial No. _____, filed
_____. We authorize and request the Commissioner of Patents to issue all
Letters Patent of the United States to DaimlerChrysler Corporation.

We warrant that we have the right to sell, assign, and transfer our full and entire
right, title, and interest in the invention and that no assignment, sale, agreement, or
encumbrance has been or will be made or entered into that will conflict with this sale,
assignment, and transfer.

We further agree to communicate to DaimlerChrysler Corporation or its
representatives, any facts known to us respecting the invention, testify in any legal
proceedings relating to the invention when called upon, and sign all instruments and
documents and render such assistance which, in the judgment of DaimlerChrysler
Corporation, is necessary to vest in it and protect the legal right, title, and interest assigned
in this Assignment.

This Assignment will be binding on our heirs and legal representatives.
