ASSIGNMENT

WHEREAS, I, James Doody, of 96 Price Avenue, Hamilton, Ontario, Canada L9C 1K7 am the beneficial inventor of certain new and useful improvements relating to an INSULATION SYSTEM FOR A TURBINE AND METHOD (hereinafter referred to as the "Invention"), as fully set forth and described in the U.S. patent application filed concurrently herewith;

AND WHEREAS, I have agreed to assign all of my right, title, and interest in and to the Invention and in and to said U.S. application and all and any foreign applications corresponding to and all and any Letters Patent that may be obtained therefor in the United States of America, Canada, and all other countries to: 1419509 Ontario Inc., whose full post office address is 3505 Mainway Drive, Burlington, Ontario, Canada L7M 1A9 (hereinafter referred to as the "Assignee");

NOW THEREFORE, to all whom it may concern, be it known that in consideration of the sum of two dollars (\$2.00) to me paid by the Assignee, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I do hereby confirm that I have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer to the Assignee, its successors and assigns, the whole right, title and interest for the United States of America, Canada and all other countries in and to the Invention and in and to the said application and all corresponding foreign applications and Letters Patent obtained therefor in the United States of America, Canada and all other countries;

AND be it known that I authorize and empower the Assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any applications for patent or other form of protection for the Invention filed by it, the benefit of the right of priority provided by the International Convention for Protection of Industrial Property, as amended, or by any Convention which may henceforth be substituted for it and to invoke and claim such right of priority without further written or oral authorization from me, and I hereby assign to the Assignee any and all right I may have to claim such priority in any country from a corresponding U.S. patent application relating to the Invention;

AND I hereby consent that a copy of this Assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and particularly in proof of the right of the Assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property as amended, or by any Convention which may henceforth be substituted for it;

AND I hereby covenant and agree to do all such things and to execute without further consideration such further lawful documents, assurances, applications and other instruments as may reasonably be required to obtain Letters Patent for the Invention and vest the same in the Assignee, its successors and assigns.

IN WITNESS WHEREOF, I, JAMES DOODY, have set my hand to this Assignment the 5th day of December, 2002.
