ASSIGNMENT OF INVENTION
UNIVERSAL

WHEREAS, I, **Louis B. Allard**, a citizen of Canada whose full post office address is **3032 Linton Road, Ottawa, Ontario, Canada, K1V 8H3**, have made an invention as described in the patent application entitled

POLARIZATION CONTROLLER

filed herewith.

I/we hereby authorize my/our attorney to insert here in parentheses
(Application Number _____, filed _____),
the filing date and application number of said application, when known.

WHEREAS, **JDS Uniphase Inc.** (hereinafter referred to as the assignee), whose full post office address is **3000 Merivale Road, Ottawa, Ontario, Canada, K2G 6N6** is desirous of acquiring the entire right, title and interest in and to said invention or inventions and in and to any and all patents to be obtained therefor;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I have and by these presents do hereby sell, assign and transfer unto said assignee, its successors and assignees, the entire right, title and interest in and to said invention or inventions, as described in the aforesaid application, in any form or embodiment thereof, and in and to the aforesaid application, and in and to any applications filed in any foreign country based thereon, including the right to file said foreign applications under the provisions of the International Convention; also the entire right, title and interest in and to any and all patents, reissues or extensions thereof to be obtained in this or any foreign country upon said invention or inventions, and any divisional, continuation, substitute application(s) or supplementary disclosure(s) which may be filed upon said invention or inventions, in any country; and I hereby authorize and request the issuing authority to issue any and all patents on said application or applications to said assignee.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements
