ASSIGNMENT

WHEREAS, Alan R. Taylor has invented a tablet computer housing and made and is applying for Letters Patent herein.

NOW, THEREFORE, for good and valuable consideration, receipt of which is acknowledged, Alan R. Taylor has agreed to assign and transfer and does hereby assign and transfer unto Pro-Design Solutions, LLC, a Florida limited liability corporation, having an address of 3803 North Rye Road, Parrish, Florida 34219, and its successors and assigns, the entire right, title and interest in and to said invention and application, and in and to any division, continuation or continuation-in-part of said application, and in and to any and all letters patent and reissues and extensions thereof of the United States of America and countries foreign thereto (including the right to apply for letters patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise) which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by the inventor had this assignment and transfer not been made.

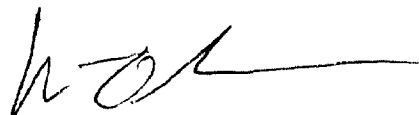

I do further agree to execute and deliver without further consideration any further application, assignments and documents, and to perform such other acts as I lawfully may that may be deemed necessary by Pro-Design Solutions, LLC., its successors, assigns and nominees, fully to secure its interest as aforesaid and to obtain or maintain letters patent in any and all countries;

IN WITNESS WHEREOF, I have hereunto signed my name on the day and year set forth below.

Alan R. Taylor
