## ASSIGNMENT

WHEREAS, Vasamedics, LLC, a Limited Liability Company organized and existing under the laws of the State of New Jersey, and having its principal offices at 2958 Yorkton Blvd, St Paul, Minnesota ("Assignor"), owns all right, title and interest in and to U.S Patent No. 4,772,081 issued on September 20, 1988, assigned from TSI Research Associates Limited Partnership to Vasamedics, LLC, such assignment being recorded on January 24, 1996 in the U.S. Patent and Trademark Office at Reel 7795, Frame 0074; and

WHEREAS, Optical Sensors Incorporated, a corporation organized and existing under the laws of the State of Delaware, and having its principal offices at 7615 Golden Triangle Drive, Eden Prairie, Minnesota ("Assignee") is desirous of acquiring the entire right, title and interest in and to said invention, and in, to and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for good and valuable considerations paid by said Assignee, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred, and by these presents does hereby sell, assign and transfer unto the said Assignee, its successors and assigns, the entire right, title and interest in and to said invention, said application and the Letters Patent, both foreign and domestic, as well as all continuations, continuations-in-part, divisions and renewals thereof, all patents which may be granted thereon, and all reissues, reexaminations, and extensions thereof, that may or shall issue, including all rights under the International Convention and Patent Corporation Treaty, and does hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned Assignee in accordance herewith.

Assignor hereby authorizes said Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent, in its own name if desired, in any and all foreign countries, and additionally to claim the filing date of said United States application and/or otherwise take advantage of the provisions of the International Convention.

Upon said consideration, Assignor does hereby covenant and agree with the said Assignee, its successors and assigns, will not execute any writing or do any act whatsoever conflicting with these presents, and that Assignor will at any time upon request, without further or additional consideration, but at the expense of the said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, reissued or extended Letters Patent of the United States, or of any and all foreign countries on said invention, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In witness whereof, I, John Borgos, have hereunto set my hand and affixed my seal on behalf of said corporation this 26th day of September, 2002.
