ASSIGNMENT OF PATENT RIGHTS

THIS ASSIGNMENT OF PATENT RIGHTS (this “Assignment”) is made as of November 27, 2002.

WHEREAS, Napster, Inc., a Delaware corporation (“Assignor”) is the owner of the patents and patent applications listed on Exhibit A attached hereto and incorporated herein (the “Patents and Patent Applications”), and desires to grant, convey, sell, assign, transfer and deliver to Roxio, Inc., a Delaware corporation (the “Assignee”) and the Assignee desires to accept from Assignor, all of Assignor’s right, title and interest in and to the Patents and Patent Applications, according to the terms and subject to the conditions of this Assignment.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor agrees, intending to be legally bound, as follows:

1. Assignor hereby irrevocably grants, conveys, sells, assigns, transfers and delivers to Assignee, its successors and assigns, all of Assignor’s right, title and interest throughout the world in and to: (i) all said inventions disclosed in the Patents and Patent Applications (the “Inventions”), (ii) the Patents and Patent Applications and any and all other patents of the United States and foreign countries which may be issued for the Inventions, including all priority rights arising from the Patents and Patent Applications, (iii) any currently pending registrations or applications related to the Patents and Patent Applications or the Inventions, (iv) any reissue or reissues, substitutionals, provisionals, continuations, continuations in part and divisions of any of the foregoing, and (v) all claims for damages and equitable relief by reason of past infringement of the Patents and Patent Applications, with the right to sue for and collect the same for its own account.

2. Assignor authorizes and requests the Commissioner of Patents of the United States to recognize this Assignment of the Patents and Patent Applications of the United States to Assignee, and Assignor hereby consents that a copy of this Assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said Assignee to claim the aforesaid benefit of the right of priority provided by any international convention or treaty. Assignor hereby further authorizes and requests the Commissioner of Patents of the United States and the duly constituted authorities of foreign countries to issue any Letters Patent which may be granted on said inventions, on any applications related thereto, and on any substitute, continuing, divisional, or reissue applications, or any of them, to said Assignee, its successors and assigns, as assignee of the entire right, title and interest therein and thereto.

3. For the consideration aforesaid, Assignor further covenants and agrees with said Assignee, its successors and assigns, that upon reasonable written request Assignor will execute substitute, continuing, divisional, or reissue applications, amended specifications, or rightful oaths; communicate to said Assignee, its successors and assigns, any facts known to Assignor relating to said inventions or the history thereof; execute preliminary statements; testify in any interference or other legal proceedings involving said...
inventions; execute and deliver any application papers, assignments, or other instruments, and do all other reasonable acts which, in the opinion of counsel for said Assignee, are necessary to secure the grant of Letters Patent to said Assignee, its successors and assigns, or its nominees, in the United States and in all other countries where said Assignee may desire to have the said inventions, or any of them, patented, with specifications and claims in such form as shall be approved by counsel for said Assignee, and to vest and confirm and complete legal and equitable title to all such inventions, applications, and Letters Patent, and to enable it to record said title, without further consideration than now paid but at the expense of said Assignee, its successors or assigns.
