ASSIGNMENT OF SECURITY INTEREST
IN CERTAIN PATENTS

WHEREAS, SUSSEX TECHNOLOGY, INC., a New Jersey corporation (the "Assignor"), with principal offices at 104 Demarest Road, Sparta, New Jersey 07871, is the owner of all or a partial right, title and interest in and to certain letters patent of the United States, applications for letters patent of the United States and of other countries (including those certain letters patent and applications for letters patent set forth on Schedule A attached hereto) (collectively, the "Patents");

WHEREAS, pursuant to that certain Amended and Restated Security Agreement dated as of October 31, 2002, by and among Applied Tech Products Corp. ("ATP"), each affiliate of ATP from time to time party thereto (including, without limitation, Assignor) and Heller Financial, Inc. ("Assignee"), as Collateral Agent (as amended, amended and restated, modified and/or supplemented from time to time, the "Security Agreement"), Assignor, among other things, granted a security interest in all of the following in which Assignor then held or thereafter acquires any interest: (a) all letters patent of the United States or of any other country, all registrations and recordings thereof, and all applications for letters patent of the United States or of any other country, including registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State, or any other country, and (b) all reissues, continuations, continuations-in-part or extensions thereof, including, without limitation, the Patents (collectively, the "Patent Collateral") to Assignee, as Collateral Agent; and

WHEREAS, Assignor and Assignee desire to further memorialize the grant from Assignor to Assignee of a security interest in the Patent Collateral for purposes of, among other things, recording such assignment with the U.S. Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in accordance with the terms and conditions of the Security Agreement, Assignor hereby assigns to Assignee a security interest in the Patent Collateral together with all Proceeds (as such term is defined in the Security Agreement), commercial tort claims, insurance claims and other rights to payment not otherwise included in the foregoing and products of the foregoing and all accessions to, substitutions and replacements for, and rents and profits of, each of the foregoing.

The rights and remedies of Assignee with respect to the security interest granted herein are without prejudice to, and are in addition to, those set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Assignment are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

IN WITNESS WHEREOF, Assignor has executed this Assignment of Security Interest in Certain Patents as of this 11th day of November, 2002.
