ASSIGNMENT OF APPLICATION

Whereas, **Michael Kagan of Doylestown, PA** hereafter referred to as ASSIGNOR(S), have invented certain new and useful improvements in an invention entitled: **Autoprep Instrument** for which a design application for a United States Patent was filed on 12/13/02;

Whereas, Immunivest Corporation, a Delaware Corporation, herein referred to as ASSIGNEE whose mailing address is 1105 North Market Street, Suite 1300, PO Box 8985, Wilmington, Delaware 19899, is desirous of acquiring the entire right, title and interest in and to the same;

Now, therefore, in consideration of the sum of one dollar (\$1.00), the receipt whereof is hereby acknowledged, and other good and valuable consideration, ASSIGNOR(S), by these presents do sell, assign, and transfer unto ASSIGNEE the entire right, title and interest in and to the said invention and said patent application in the United States and in all countries of the world, and the entire right, title and interest in and to any and all corresponding patent applications arising therefrom, and Patents which may be granted thereupon in the United States and in all countries of the world, and furthermore ASSIGNOR(S) hereby authorize and request the Commissioner of Patent and Trademarks of the United States and the corresponding patent authorities of all other countries in the world to issue said United States and foreign Patents to said assignee of the entire right, title, and interest in and to the same; and for the use of said ASSIGNEE'S legal representatives, to the full end of the term for which all of said Patents may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

In witness whereof, this assignment has been executed on the day and month indicated below.
