1. ASSIGNORS agree without charge to said ASSIGNEE but at ASSIGNEE'S expense (a) to execute all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said inventions in any and all countries and for vesting title therein in ASSIGNEE, its successors, assigns or nominees; (b) to execute all papers in connection with any interference or other legal or quasi-legal proceedings relating to these application or to any continuation, continuation-in-part, or divisional applications thereof; (c) to execute all papers and documents which may be necessary in connection with the preparation and filing of any foreign applications or with making claims to priority rights granted under the provisions of the International Convention for Protection of Industrial Property or similar agreements; (d) to cooperate with ASSIGNEE in every way possible in obtaining evidence and going forward in any such proceedings; and (e) to perform all other affirmative acts which may be necessary or desirable to obtain a grant of a valid patent for said invention in any country throughout the world.

2.
