ASSIGNMENT

WHEREAS, I, Jeff Moler, of 1500 Independence Blvd., Sarasota, Florida 34234, have invented an

INTEGRAL FORCE TRANSFER MEMBER

for which I have made application for Letters Patent of the United States of America; and

WHEREAS, VIKING TECHNOLOGIES, ^{L.C.}INC., a corporation of the State of Florida, having its principal place of business at 1500 Independence Blvd., Sarasota, Florida 34234, desires to acquire the entire right, title, and interest in and to said invention;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) and other good and valuable considerations, receipt whereof is hereby acknowledged, I, Jeff Moler, by these presents do sell, assign and transfer unto said corporation, its successors and assigns, all right, title, and interest in the United States of America and all foreign countries in and to said invention as described in the design patent application executed by me on the _____ day of _____, 2002 (and I hereby authorize my attorneys, authorized to prosecute said application, to here insert the filing date and serial number of said design application, as soon as it is known, Serial Number 29/162,686, filed June 19, 2002), and to any improvements on said invention hereto or hereafter made while I am in the employ of said corporation, and any divisions or continuations of said design application, and all Patents, United States and foreign, granted upon any such applications or for the inventions described therein, and any reexaminations, reissues or extensions of said Patents; and I hereby authorize and request the Commissioner of Patents and Trademarks to issue all Patents on said United States applications to said corporation as assignee thereof.

FOR SAID CONSIDERATIONS I hereby covenant and agree that I am the owner of the full title herein assigned and have the right to assign the same, and agree that I will communicate to said corporation or its representatives, any facts known to me respecting said invention or inventions and testify in any legal proceedings relating thereto when called upon, and will sign all instruments and documents and render such assistance which in the judgment of said corporation is necessary to vest in it and protect the legal title sought to be assigned.

I authorize and empower the assignee, its successors, assigns and legal representatives or nominees, to invoke and claim for any application for patent or other form of protection for the inventions filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from me.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

Jeff Moler
