ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I hereby assign, transfer and convey to Hunter's Specialties, Inc., a corporation created and existing under and by virtue of the laws of the State of Iowa, and having a principal place of business at 6000 Huntington Court NE, Cedar Rapids, Iowa, 52402, its successors, legal representatives and assigns, the entire right, title and interest in and to my invention for APPARATUS AND METHOD FOR CALLING GAME and to the application for Letters Patent of the United States therefor executed by me on June 14, 1999, Serial No. 09/326,961, filed on June 7, 1999, and in and to the Letters Patent to be issued pursuant to said application, and any divisions, continuations, reissues and extensions thereof, and all applications for Letters Patent, or similar legal protection which may hereafter be filed for said invention in any country or countries foreign to the United States, and all Letters Patent which may be granted for said invention in any country or countries foreign to the United States, and all extensions, renewals and reissues thereof or legal equivalent thereof.

I hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States whose duty it is to issue patents or similar legal protection on applications aforesaid, to issue all Letters Patent or similar legal protection for said invention to said Hunter's Specialties, Inc., the same to be held by said Hunter's Specialties, Inc. for its own use and behoof and for the use and behoof of its successors, legal representatives, or assigns, to the full end of the term

for which said Letters Patent or similar legal protection are or may be granted, as fully and entirely as the same would have been held and enjoyed by me had this assignment and sale not been made.

For said consideration, I hereby agree, upon the request of said assignee, its successors, legal representatives and assigns, to execute any and all divisional and renewal applications for said invention or improvements and any supplemental oath or declaration relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application that said assignee, its successors, legal representatives or assigns may deem necessary or expedient, and for said considerations, I further agree, upon the request of said assignee, its successors, legal representatives or assigns, in the event of said application or any division thereof, or Letters Patent issued thereon, or any reissue or application for the reissue thereof, becoming involved in Interference, to cooperate to the best of my ability with said assignee, its successors, legal representatives or assigns in the matters of preparing the preliminary statement and giving and producing evidence in support thereof. I hereby agree to perform, upon such request, any and all affirmative acts to obtain said Letters Patent and vest all rights therein hereby conveyed in the said assignee, its successors, legal representatives and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made, and I hereby covenant and warrant that as of the date hereof, I am the true and lawful owner of the entire right, title and interest in said invention, application for Letters Patent aforesaid, and the

Letters Patent which may issue pursuant thereto, and have the full right and power to convey the same, and that the same is free and clear of all liens, charges and encumbrances whatsoever, and that I have not executed and will not execute any agreement in conflict herewith.

WITNESS my hand and seal this 14th day of June, 1999.
