**ASSIGNMENT OF INVENTION AND PATENTS THEREON**

For valuable consideration, I, David L. Remerowski, hereby assign to Senco Products, Inc., a Corporation of Ohio and having a place of business at 8485 Broadwell Road, Cincinnati, OH 45244, and Dynamic Power Source, LLC, a limited liability company of Indiana and having a place of business at 999 Progress Boulevard, New Albany, IN 47150, and their successors and assigns (collectively hereinafter called "the Assignee"), our entire right, title and interest throughout the world in the inventions and improvements which are subject of our application for United States Patent executed on even date herewith, entitled POWER BOX, filed as U.S. Application Serial No. 09/941,150 on August 28, 2001, this assignment including said application, any continuation, division or continuation-in-part thereof and/or substitute therefor, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and authorize the Assignee to apply in all countries in our name or in its own name for patents, utility models, and design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
