ASSIGNMENT

Joint Inventorship

WHEREAS, Joachim Barenz, Frank Imkenberg and Hans-Dieter Tholl, all citizens of the Federal Republic of Germany and respectively residing at Weinbergstraße 11, 88690, Uhldingen, Germany, at Zum Kretzer 13, 88662 Überlingen, Germany, and at Aachstraße 25, 88690 Uhldingen, Germany, and hereinafter called the "Assignors", have invented a new and useful LASER ASSEMBLY FOR SEEKER HEADS, for a full description of which reference is here made to an application for Letters Patent of the United States executed on even date herewith; and

WHEREAS, Bodenseewerk Gerätetechnik GmbH, a company organized and existing under the laws of the Federal Republic of Germany, having a principal office and place of business at Alte Nussdorfer Strasse 13, D-88662 Überlingen/Bodensee, Germany, hereinafter called the "Assignee", is desirous of acquiring the entire right, title and interest in and to said invention, the application above identified, and in, to and under any Letters Patent which may be obtained for said invention, as hereinafter more fully set forth;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for and in consideration of the sum of \$1.00, and other valuable and legally sufficient considerations, the receipt of which by the said Assignors from the said Assignee is hereby acknowledged, the said Assignors have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the said Assignee, the entire right, title and interest for the United States in and to the invention and application herein-above identified, including any divisional, substitute or continuation application which may grow out of or replace the said application, and any Letters Patent of the United States that may issue from said application or applications and any re-issues and extensions of said Letters Patent; to have and to hold for the sole and exclusive use and benefit of the said Assignee, its successors and assigns, to the full end of the term for which any and all of said Letters Patent for said invention may issue.

And the said Assignors do hereby covenant and agree, for themselves and their legal representatives, that they will assist the said Assignee, its legal representatives, successors and assigns, without demanding further consideration therefor and without expense to them, in the prosecution of the application herein identified; in the making and prosecution of any other

applications for Letters Patent that the said Assignee may elect to make covering the invention herein identified, as hereinbefore set forth, investing in the said Assignee like exclusive title in and to all such other applications and Letters Patent; in the prosecution of any interference or reexamination which may arise involving said invention or any application or Letters Patent herein contemplated; in obtaining, sustaining, reissuing or extending any and all of said Letters Patent; and in testifying in cases of litigation involving any and all of said Letters Patent; and that they will execute and deliver to the said Assignee any and all additional papers which may be requested by the said Assignee to fully carry out the terms of this assignment.

And the Commissioner of Patents and Trademarks is hereby authorized and requested to issue Letters Patent to the said Assignee in accordance with the terms of this assignment.

IN TESTIMONY THEREOF, the said Assignors have hereunto set their hands on the dates as indicated hereinbelow.
