ASSIGNMENT

THIS ASSIGNMENT, made by Blessings Corporation, a Delaware corporation having its principal place of business at 200 Enterprise Drive, Newport News, Virginia, 23603, hereinafter referred to as Assignor;

WITNESSETH: That,

WHEREAS the above named Assignor is the owner of the entire right, title, and interest in and to certain new and useful Inventions described in the Patents and Patent Applications as listed on Exhibit A, attached hereto and incorporated herein by reference; and

WHEREAS Huntsman Packaging Corporation, Inc., a Utah corporation having its principal place of business at 500 Huntsman Way, Salt Lake City, Utah, hereinafter referred to as Assignee; wishes to acquire the entire right, title, and interest in and to the Inventions described in said Patents and Patent Applications, including divisions, national phases, continuations, or continuations-in-part thereof, and in and to any and all Letters Patent, including reexaminations and reissues thereof, that may be granted on such Patent Applications, in the United States of America or any foreign country:

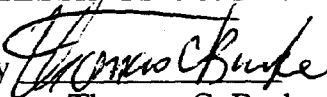

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Assignor has sold and does hereby sell, assign, transfer, and convey to Assignee, its successors and assigns, the entire right, title, and interest in and to said Inventions; Patents, including reexaminations and reissues thereof; Patent Applications, including divisions, national phases, continuations, or continuations-in-part thereof; and Letters Patent, including reexaminations and reissues thereof, that may be granted on such Patent Applications, in the United States of America or any foreign country, together with the right to claim priority in all foreign countries in accordance with the International Convention or any other international agreements to which the United States of America adheres, the same to be held and enjoyed by the Assignee, its

successors and assigns, as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment and sale had not been made.

The Assignor further covenants and agrees that, at the time of the execution and delivery of this Assignment, it possesses full title to the Invention, Patents, and Patent Applications as earlier identified, and that it has the unencumbered right and authority to make this Assignment.

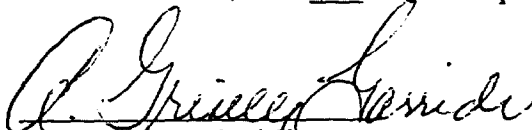

IN WITNESS THEREOF, the Assignor has caused this Assignment to be executed this 30 day of April, 1999.
