RELEASE OF SECURITY INTEREST IN PATENTS

THIS RELEASE, dated August 30, 2002 is made by and between FIRST UNION NATIONAL BANK (as successor in interest to CORESTATES BANK, N.A.), a national banking association with a place of business at 370 Scotch Road, Pennington, New Jersey 08534 (the "Secured Party") and TEARDROP GOLF COMPANY ("TearDrop") a Delaware corporation, TOMMY ARMOUR GOLF COMPANY ("TAGC") a Delaware corporation, and TEARDROP RAM GOLF COMPANY ("RAM") a Delaware corporation. TearDrop, TAGC and RAM are individually and collectively referred to herein as "Debtor".

BACKGROUND

A. Debtor (excluding RAM) and Secured Party entered into a certain Loan and Security Agreement dated as of November 10, 1997 (as amended from time to time, the "Loan Agreement"), pursuant to which Secured Party made available to Debtor (excluding RAM) the revolving credit facility described therein. In order to induce Secured Party to enter into the Loan Agreement and to make available to Debtor the credit facilities as set forth therein, Debtor (excluding RAM) granted to Secured Party a Patent Collateral Security Agreement dated as of November 10, 1997, in favor of Secured Party, (the "Patent Security Agreement").

B. RAM was added as a Borrower under the Loan Agreement pursuant to a Consent and Joinder Agreement dated as of December 29, 1997, pursuant to which RAM (a) became a borrower under the Loan Agreement and became subject to the terms and conditions of the Loan Agreement, (b) joined in and agreed to be bound by and to perform in accordance with the terms of the Loan Agreement, (c) became jointly and severally liable with TearDrop and TAGC to Secured Party for all of the liabilities and obligations, and (d) pledged, transferred, assigned, delivered and granted to Secured Party a lien on and security interest in and to the Collateral.

C. The Patent Collateral Security Agreement was recorded on December 29, 1997 in the records of the United States Patent and Trademark Office Assignment Branch at Patent Reel 8861, Frame 08900.

WITNESS:

WHEREAS, pursuant to the Patent Security Agreement, the Debtor granted to the Secured Party a security interest in certain of the Debtor's United States patents and patent applications and inventions to be patented; in particular, the properties set forth on the attached Schedule A (the "Patents");

WHEREAS, the Debtor's obligations under the Loan Agreement having been discharged in full, the Secured Party wishes to: (i) release all of its security interest covering the Patents; (ii) restore all right, title and interest in and to the Patents to Debtor; and (iii) to dissolve any and all liens and encumbrances respecting the Patents.

NOW, THEREFORE, for good and valuable consideration, the prior receipt of which is hereby acknowledged, the Secured Party does hereby release its security interest in the Patents, and discharges, quit claims and relinquishes unto the Debtor (in each case without recourse and without any representation or warranty) any and all rights, title and interest it had or has in and to the Patents.

IN WITNESS WHEREOF, the Secured Party has caused this Release to be duly executed and delivered by its officer thereunto duly authorized as of the date above written.

FIRST UNION NATIONAL BANK (AS
SUCCESSOR IN INTEREST TO CORESTATES
BANK, N.A.), as Secured Party
