ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION, the sufficiency and receipt of which is hereby acknowledged, **SUPERIOR HOLDINGS OF AMERICA, INC.**, an Illinois corporation having a mailing address of 5722 Dempster Street, Morton Grove, Illinois 60053 (hereinafter sometimes referred to as "ASSIGNOR") hereby nunc pro tunc transfers, assigns, and conveys as of January 2, 2001 to **WICO, LLC**, an Illinois limited liability company having a business address at 234 Devon Avenue, Bensenville, Illinois 60106 (hereinafter sometimes referred to as "ASSIGNEE"), ASSIGNOR's entire worldwide right, title and interest in and to any and all intangible assets of Assignor, including but not limited to, any and all technology, know-how, technical information, trade secrets, proprietary business information, designs, business plans, inventions, copyrightable material, concepts, discoveries, intellectual property, processes, flow charts, computer programs, procedures, supplier information and the like, as well as the trademark registrations, trade names, service marks, and/or trademark applications respectively listed on Schedule A, attached hereto and made a part hereof, as well as the goodwill associated with said marks; ASSIGNOR's entire worldwide right, title and interest in and to the United States and foreign patents listed on Schedule B, attached hereto and made a part hereof as well as any and all continuations, continuations-in-part, divisionals and/or other applications claiming priority therefrom; and ASSIGNOR's entire worldwide right, title and interest in and to the United States copyright registrations identified in Schedule C, attached hereto and made a part hereof; and any and all renewals thereof, if any; all income, royalties, damages and payments now and hereafter due and/or payable with respect thereto, including, without limitation, damages and payments for past or future infringements thereof; the right to sue for past, current and/or future infringement thereof; and any and all United States and/or foreign registrations and patents which may issue on the same or related applications in the future.

ASSIGNOR hereby covenants and warrants that it has the full right to convey the above-described worldwide right, title and interests by this instrument, free of any encumbrances, and that no other agreement has been or will be executed in conflict herewith.

ASSIGNOR agrees to perform all affirmative acts which may be necessary or desirable to record and/or perfect the above-described transfer of patent, trademark and copyright rights or to maintain said patents and registrations before the Patent, Trademark and Copyright Offices of the United States and any and all foreign countries, at ASSIGNEE's expense, as well as to cooperate with ASSIGNEE in obtaining and/or providing information required in any proceedings relating to said patent, trademarks and copyrights.

ASSIGNOR further authorizes the Commissioner of Patents and Trademarks of the United States, and the appropriate official in any other country, to issue any and all additional trademark and service mark registrations or amended registrations that have been or may be granted upon any application or petition for same, to ASSIGNEE, its successors and/or assigns.

ASSIGNOR hereby grants to ASSIGNEE the authority and power to insert on this instrument any further identification, which may be necessary or desirable for purposes of recordation in the Patent, Trademark and Copyright Offices of the United States and any and all foreign countries.
