ASSIGNMENT

WHEREAS I/WE, **Michael L. KING** of Durham, North Carolina and **Alan BALL** and **James Taylor LLOYD** each of Somerville, Massachusetts, (hereinafter called "the inventor(s)") have invented "**DESIGN FOR AN ORAL INHALER**" (hereinafter called "the design") for which an application for Design Patent in the United States of America was filed on **December 18, 2002**, having application No. **29/172,910** (hereinafter called "the application"), and

WHEREAS, **GLAXO GROUP LIMITED**., a company incorporated in England, whose registered office is at Glaxo Wellcome House, Berkeley Avenue, Greenford, Middlesex, UB6 0NN, England, is desirous of acquiring the whole right, title and interest in and to said invention and improvements and said application, and in and to any Design Patents to be obtained therefor, in the United States, its territories and possessions, and in and to any applications for said invention and improvements and any Design Patents and/or any Registrations to be obtained therefor, in all countries other than the United States, its territories and possessions;

NOW, THEREFORE, to all whom it may concern, be it known that I/we **Michael L. KING, Alan BALL and James Taylor LLOYD** for good and valuable consideration unto me/us moving, the receipt whereof is hereby acknowledged, have sold, assigned and transferred, and by these presents do sell, assign and transfer my/our whole right, title and interest in and to said invention and improvements to said **GLAXO GROUP LIMITED**, throughout the United States of America, its territories and possessions, and in and to said application, and for any and all related Design Patents of the United States of America;

AND, my/our whole right, title and interest in and to said invention and improvements to **GLAXO GROUP LIMITED**, in all other countries throughout the world, and in and to any applications in said other countries, and, patents of importation, registrations, and any renewals, extensions and divisions thereof, and in and to any and all Design Patents and/or Registrations of said all other countries which may be

granted on said invention and improvements including any priority rights under the International Convention.

AND, I/we do hereby authorize and request the issue of any Design Patents and/or Registrations in the respective areas referred to, to said **GLAXO GROUP LIMITED**, as assignee of my/our whole right, title and interest in and to the same for the sole use and behoof of the said assignees, their successors and assigns as their interests appear herein;

AND, I/we warrant that I/we have not knowingly conveyed to others any right in said invention, improvements, applications or design patents or any license to use the same or to make, use or sell anything embodying or utilizing said invention and improvements and that I/we have good right to assign the same to **GLAXO GROUP LIMITED**

AND, I/we the undersigned **Michael L. KING, Alan BALL and James Taylor LLOYD** for the consideration aforesaid, do hereby agree that I/we or my/our executors or legal representatives, will provide information and make, execute and deliver any and all other instruments in writing, and any and all further acts, application papers, affidavits, assignments and other documents which may be necessary or desirable to more effectually secure to and vest in said **GLAXO GROUP LIMITED**, their successors and assigns, the whole right, title and interest in and to the said invention and improvements, applications, Design Patents and/or Registrations, rights, title and interest hereby sold, assigned and conveyed, or intended so to be. *This assignment should be deemed effective as of December 18, 2002.*
