ASSIGNMENT AND AGREEMENT

For value received, I **Malcolm G. Thomson**, in the County of Fulton and State of Georgia, hereby sell, assign and transfer to Process Control Corporation, a corporation of the State of Georgia, having an office at 6875 Mimms Drive, Atlanta Georgia 30340, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **METHODS AND SYSTEMS FOR FILTERING UNWANTED NOISE IN A MATERIAL METERING MACHINE** as described in the specification forming part of an application for Letters Patent of the United States, all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Process Control Corporation the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Process Control Corporation to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Process Control Corporation to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to Process Control Corporation in the United States and in all countries foreign to the United States, or to such nominees as Process Control Corporation may designate.

I agree that, when requested, I shall, without charge to Process Control Corporation but at its expense, sign all papers, and do all acts which may be necessary, desirable, or convenient in connection with said applications, patents, or other forms of protection.

I acknowledge that this Agreement shall be the governing Agreement between me and Process Control Corporation.
