ASSIGNMENT

IN CONSIDERATION of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned, Claude MAEDER, residing at 19 bis rue des Brice, 54000 Nancy, France, intending to be legally bound,

HEREBY sell, assign and transfer to Electronique Contrôle Mesure, a corporation of France having a place of business at 4 rue du Bois Chêne le Loup, Parc d'activités de Brabois, 54500 Vandoeuvre les Nancy, France, its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all improvements which are disclosed in the application for United States Letters Patent which has been executed by the undersigned concurrently herewith and which is entitled

METHOD FOR PROCESSING SIGNALS PRODUCED  
BY PIEZOELECTRIC SENSORS MOUNTED IN A  
ROADWAY FOR MEASURING THE SPEED OF VEHICLES

and in and to said application and all divisional, continuation, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said improvements, including the right to claim in other countries the right of priority of any of said applications under the (Paris) International Convention; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements;

AGREE THAT said Assignee may apply for and receive Letters Patent for said improvements in its own name, and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuation, substitute, renewal, reissue, and all other patent applications on any and all said improvements, execute all rightful oaths, assignments, powers of attorney and other papers, communicate to said Assignee, its successors, assigns, and legal representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns and legal representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives;

COVENANT WITH said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed have been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned; and

AUTHORIZE my attorney, Gary M. Cohen, Esq., Reg. No. 28,834, Strafford Building Number Three, 125 Strafford Avenue, Suite 300, Wayne, Pennsylvania 19087-3318, to enter in the blank spaces provided for that purpose below the application number and filing date of the United States Patent Application to which this document applies, when that information becomes known.
