for which an application for Letters Patent of the United States is about to be made; and

WHEREAS, said PACK-TECH, L.L.C., a limited liability company duly organized under the laws of the State of Missouri, and having its principal place of business at 213 South 169 Highway, Gower, Missouri, is desirous of acquiring an interest in, to and under said invention, said application and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, WE, DERRIL R. CADY, MARK W. TAYLOR, SR. and THEODORE A. BALEK have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said PACK-TECH, L.L.C., the full and exclusive right, title and interest throughout the world, in, to and under said invention as set forth and described in the provisional specification prepared on behalf of DERRIL R. CADY, MARK W. TAYLOR, SR. and THEODORE A. BALEK as co-inventors, preparatory to preparation and filing of a conventional patent application for obtaining Letters

(Docket 3114)

Patent of the United States therefor; in, to and under said provisional and conventional application; in, to and under all refilings, divisions and continuations of said provisional and conventional application; in, to and under any and all Letters Patent of the United States of America which may issue from said conventional application, refilings, divisions and continuations; in, to and under any and all reissues of said Letters Patent of the United States of America; in, to and under any and all applications for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America; in, to and under any and all refilings, divisions and continuations of said foreign-filed applications; in, to and under any and all Letters Patent of countries foreign to the United States of America, which may issue from the said foreign-filed applications, refilings, divisions and continuations; and in, to and under any and all extensions of, and additions to, said Letters Patent of countries foreign to the United States of America, the same to be held and enjoyed by said PACK-TECH, L.L.C. for its own use and behoof, and for its successors, heirs, legal representatives and assigns, to the full end of the terms for which said Letters Patent may be granted, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent of the United States of America in accordance with this assignment.

The co-inventors further give a limited power of attorney to the President of PACK-TECH, L.L.C. to execute any documents which may be required to perfect the filing of said provisional application, conventional patent application and any continuations or reissues thereof, said limited power of attorney to be utilized only if the co-inventors are not available for execution of said documents and/or refuse to execute the same.
