## ASSIGNMENT

WHEREAS We, **John LINARDOS** and **Jevan DAMADIAN**, residing at **31 Winslow Lane, Smithtown, NY 11787** and **33 Beacon Lane, East Northport, NY 11731**, respectively, are the joint inventors of certain inventions or improvements for which we have made application for Letters Patent of the United States, entitled **System, Method and Methodology for Reconfigurability of Magnetic Resonance Imaging** and identified by **Attorney Docket Number 12125**; and

WHEREAS, **Fonar Corporation** of **110 Marcus Drive, Melville, New York 11747**, a **corporation of the State of New York**, is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements and in and to the said application, and in, to and under any and all Letters Patent which may be granted on or as a result thereof in any and all countries;

NOW, THEREFORE, for good and valuable consideration, we have assigned, and do hereby assign, to **Fonar Corporation**, its successors, assigns and legal representatives ("Nominees") the entire right, title and interest in and to said inventions or improvements throughout the world and to said application and any and all Letters Patent, petty patents and utility model patents which may be granted therefor, and all continuations, divisions, reissues, extensions and renewals thereof ("Letters Patent");

And we covenant that we have full right to convey the entire interest herein assigned, and that we have not execute, and will not execute, any agreement or do anything in conflict herewith;

And we further covenant and agree that we will without undue delay execute all such papers as may be necessary to perfect the title to said inventions or improvements, application

and Letters Patent in **Fonar Corporation**, or its Nominees, and we agree to communicate to said **Fonar Corporation**, or its Nominees, all known facts respecting said inventions or improvements, application and Letters Patent, to testify in any legal proceedings, to sign all lawful papers, and generally to do all things necessary to aid **Fonar Corporation**, or its Nominees to obtain and enforce for their own benefit patent protection for said inventions or improvements in any and all countries, all at the expense, however, of **Fonar Corporation**, or its Nominees;

And we authorize **Fonar Corporation**, or its Nominees to file in our name or their own an appropriate application for Letters Patent in all countries of the world, and we authorize and request the Commissioner of Patents and Trademarks of the United States, and any proper official of any country, to issue to said **Fonar Corporation**, or its Nominees, any and all Letters Patent for said invention or improvements, for their sole use, to the full end of the term for which such Letters Patent may be granted.

And we further grant our attorneys, at the firm of **DORSEY & WHITNEY, LLP**, with offices in Washington, D.C, the power to insert identification information on this Assignment document here in parenthesis, (**Application Serial No: 10/236,909, filed on the 9th day of September, 2002**), the filing date, application number and such other identification as may be necessary and desirable in order to comply with the rules of the United States Patent and Trademark Office for identifying this document for recordation.
