ASSIGNMENT

WHEREAS: Robert Taylor and Peter Herman are co-inventors of an invention entitled:

PHYSIOTHERAPY BENCH

for which an application for United States Letters Patent, Application No. 09/940,496, was filed on August 29, 2001 and claiming priority on U.S. Provisional Application No. 60/229,046 filed on August 31, 2000;

WHEREAS: Robert Taylor made the invention in the course of his normal duties as an employee of Power Assisted Micro-Manipulation Limited, a corporation of England, whose post office address is 73a Queenstown Road, London SL8 3RQ, United Kingdom (hereinafter referred to as PAM), while he was also a director of PAM.

WHEREAS: Under section 39 UK Patents Act 1977, an invention made by an employee shall be taken to belong to his employer if the invention was made in the course of his normal duties as an employee, or if it was made in the course of his duties as an employee and, at the time of making the invention, because of the nature of his duties and the particular responsibilities arising from the nature of his duties, he had a special obligation to further the interests of the employer's undertaking, and as a director of PAM, Robert Taylor had such a special obligation.

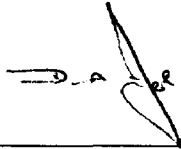

WHEREAS: By virtue of section 43(3) of the UK Patents Act 1977, the provision of section 39 referred to above apply equally to any patent or other protection under the law in force in any country other than the United Kingdom and under any treaty or international convention.

WHEREAS: By virtue of these provisions of English law, the ownership of Mr. Taylor's rights and interest in the Invention and of the Application vests in PAM.

WHEREAS: Gainsborough Accessories International Limited, a corporation of England, whose post office address is Retallack Business Park, Retallack Linnards Perch, St. Columb, Cornwall TR9 6DE, United Kingdom (hereinafter referred to as Assignee), is desirous of securing the entire right, title and interest owned by PAM in said Application.

NOW, THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, PAM has sold, assigned, transferred, and set over, and does hereby sell, assign, transfer, and set over unto Assignee, its lawful successors and assigns, its entire right, title, and interest in and to the invention and said Application, all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof; and all rights to claim priority on the basis of the above provisional application, as well as all rights to claim priority on the basis of this application, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and PAM hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment.
