ASSIGNMENT

WHEREAS, I, Edward A. Daniel, residing at 9300 Holthaus Road, Fort Loramie, Ohio 45845, have invented certain improvements in:

T-GIB DYNAMIC BALANCER WEIGHT GUIDE

described and claimed in an application for Letters Patent of the United States of America thereon, said application having been executed on even date herewith.

WHEREAS, Minster Machine Company residing 240 W. Fifth Street, P.O. Box 120, Minster, OH 45865-0120, is to acquire the entire right, title and interest in and to said invention and said application for Letters Patent;

NOW, THEREFORE, in consideration of the sum of ONE DOLLAR (\$1.00) to me in hand paid, and for other good and valuable consideration, the receipt and sufficiency whereof is hereby acknowledged, I do hereby assign, sell, transfer and set over unto said Minster Machine Company, its successors and assigns, the full, entire and exclusive right, title and interest, for the territory of the United States of America and for all foreign countries, in and to said invention, as described in the application identified above, and in and to said application and any divisions or continuations or continuations-in-part thereof or continuation prosecution applications or substitutes therefor which may be filed, and in and to any patents or reissues, renewals or extensions thereof which may be granted on said

application or for said invention, and in and to any patent application which may be filed on said invention in countries foreign to the United States of America and any patents granted thereon; said invention, applications, and Letters Patent to be held and enjoyed by said Minster Machine Company, and its successors or assigns, to the full end of the term or terms for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this assignment not been made.

I hereby authorize and request the Patent and Trademark Office officials in the United States of America and the Patent Office officials of any and all foreign countries to issue any and all of said Letters Patent, when granted to said Minster Machine Company, as the assignee of our entire right, title and interest in and to the same, for the sole use and enjoyment of said Minster Machine Company, its successors and assigns.

Further, I agree to execute all papers and to give such lawful testimony and to perform such other lawful acts as said Minster Machine Company, its successors and assigns may require to enable it or them to procure Letters Patent on said invention or reissues or extensions thereof in the United States of America and/or in any foreign country, and/or to hold, enforce or convey said Letters Patent, reissues or extensions.

Executed this 10th day of June, 2002.
