ASSIGNMENT OF PATENTS

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Linda G. Mitchell, an individual residing in the State of Tennessee at 3320 White Pine Drive, Nashville, Tennessee 37214 ("Assignor"), effective as of September 10, 2002, hereby sells, transfers and assigns to Zinsser Co., Inc., a New Jersey corporation with offices at 173 Belmont Drive, Somerset, New Jersey 08875 ("Assignee"), its successors, assigns or other legal representatives, its entire rights, title and interest, in and to the Letters Patents, Patent Applications and the Inventions disclosed in Schedule A (U.S. Patents and Applications), attached hereto and incorporated herein by reference, and any and all other applications for Letters Patent on said Inventions in the United States and in countries foreign to the United States, including all provisional, divisional, renewal, substitute, continuation and Convention applications based in whole or in part upon said Inventions or upon said Patent Applications, and any and all original, reissue, and reexamination patents and extension of Letters Patent granted for said Inventions or upon said Applications, and every priority right that is or may be predicated upon or arise from said Inventions, said Applications and said Letters Patent; said Assignee being hereby authorized to file patent applications in any or all countries on any or all said Inventions in the name of the undersigned or in the name of said Assignee or otherwise as said Assignee may deem advisable, under International Conventions or otherwise; the Commissioner of Patents of the United States of America and the empowered officials of all other governments being hereby authorized to issue or transfer all said Letters Patent to said Assignee in accordance herewith; this assignment being under covenant, not only that full power to make the same is had by the undersigned, but also that such assigned right is not encumbered by any grant, license, or other right heretofore given, and that the undersigned will do all acts reasonably serving to assure that the said Inventions, Patent Applications and Letters Patent shall be held and enjoyed by said Assignee as fully and entirely as the same could have been held and enjoyed by the undersigned if this assignment had not been made, and particularly to execute and deliver to said Assignee all lawful documents including petitions, specifications, oaths, assignments, invention disclaimers, and lawful affidavits in form and in substance which may be requested by said Assignee, to furnish said Assignee with all facts relating to said Inventions or the history thereof and any and all documents, photographs, models, samples or other physical exhibits which may be useful for establishing the facts of conception, disclosure and reduction to practice of said Inventions, and to testify in any proceedings relating to said Inventions, Patent Applications and Letters Patents.

Assignor, its successors, assigns or other legal representatives, further sells, transfers and assigns to Assignee, any and all claims for damages by reason of past and continuing infringement of said Letters Patents, and the right to sue for and collect the same for its own use and benefit and that of its successors, assigns or other legal representatives.

ASSIGNOR:

A handwritten signature in cursive script, reading "Linda G. Mitchell", written over a horizontal line.
