PATENT
REEL: 013716 FRAME: 0504
WHEREAS we, Alan Edward Sherry, Nicola John Policicchio and Jason Michael Knight; respectively, have made a certain new and useful invention as set forth in an application for United States Letters Patent entitled Acidic Cleaning Compositions with $C_{18}$ Alkyl Sulfate Detergent Surfactant, Attorney's Docket 7165, Serial No. PCT/US99/11248, filed the ___ day of ______, 1999, (the hereinafter named assignee being hereby authorized to insert said Serial Number and filing date when ascertained); and also set forth in whole or in part in the following United States Provisional Patent Application 60/086,416, Attorney's Docket No. 7165P, filed May 22, 1998 and United States Provisional Patent Application 60/100,875, Attorney's Docket No. 7165P2, filed September 17, 1998, to which said patent application claims priority under TITLE 35 USC §119(e):

We made said invention set forth in said patent application while employed by, or otherwise under an obligation to assign said invention to The Procter & Gamble Company or one of its Affiliates (including, Procter & Gamble Far East, Inc.; Procter & Gamble India, Ltd.; and Procter & Gamble Philippines, Inc.), hereinafter “Affiliate”; and acknowledge our obligation at the time the invention was made to assign said invention to The Procter & Gamble Company or the Affiliate, respectively. Pursuant to said obligation (and, in the case of employment by or obligation to an Affiliate, at the request of the Affiliate), we assign to Procter & Gamble Company, its legal representatives, successors and assigns, the entire right, title and interest, including the right to claim priority of the filing date of said patent application under international conventions, in said invention as set forth in said patent application, and in all patents of the United States and of any other country which may be issued for said invention, as fully and completely as the same would have been held by us had this assignment not been made. The entire right, title and interest shall vest irrevocably in The Procter & Gamble Company. We further agree upon request, without additional compensation but at no expense to me, to execute or assent to applications in other than the United States, and to execute all other legal documents as may be necessary or desirable to vest the enjoyment of the rights assigned to The Procter & Gamble Company, its legal representatives, successors and assigns, or as said Company may direct.

AND we request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said The Procter & Gamble Company, its legal representatives, successors or assigns, as the sole owner of the entire right, title, and interest in said patent and the invention covered thereby.

The ASSIGNMENT of said patent application is effective as of the earlier of 1) the date of execution shown below and 2) the filing date of said patent application. The ASSIGNMENT of said provisional patent application(s) is effective as of the filing date(s) of said provisional patent application(s) respectively.
