ASSIGNMENT

WHEREAS, **Richard Adelizzi**, of 821 Shunt Pike Road, Cape Main, New Jersey 08204, hereinafter referred to as Assignor, has made certain improvements or inventions in **TROLLEY STOP/SHELTER**, for which Assignor has executed an application for United States Letters Patent filed on even date herewith in the United States Patent and Trademark Office; and

WHEREAS, **Great American Trolley Company**, a Delaware corporation, hereinafter referred to as Assignee, is desirous of acquiring the same;

NOW THEREFORE, This Indenture Witnesseth: That for and in consideration of Ten Dollars (\$10.00) lawful money of the United States, and other good and valuable consideration, receipt whereof is hereby acknowledged, the Assignor does hereby sell, assign and transfer to the Assignee, its successors and assigns, all right, title and interest in and to the United States Patent application, the invention or inventions therein shown and described and any improvements on the inventions heretofore or hereafter made, any divisions or continuations of the application, and all patents, United States and foreign, to be granted upon any such application or for the invention or inventions thereof, and any reissues, continuations or extensions of the patents; and the Assignor does hereby authorize and request the Commissioner of Patents to issue all patents on the United States Patent applications or for the invention or inventions hereof, in accordance with this assignment.

And the Assignor for the consideration hereby covenant and agree that the Assignor is the owner of the full title herein conveyed and has the right to convey the same, and agree that the Assignor will communicate to the Assignee any facts known to the Assignor respecting the invention or inventions, and testify in any legal proceedings when called upon by the Assignee, sign all lawful papers deemed by the Assignee as expedient to vest in it the legal title herein sought to be conveyed or for the filing and prosecution of all applications and patents, United States and foreign, and otherwise aid the Assignee, its successors and assigns, in obtaining full patent protection on the invention and enforcing proper protection under the patents, but in every instance at the Assignees' expense.

IN WITNESS WHEREOF, we have hereunto set our hands and seals on the day and year set forth below.
