ASSIGNMENT OF PATENT APPLICATION

Inventors: Samuel Norbert BREIT
David Alexander BROWN

In consideration of the sum of one dollar (\$1.00) and other good and valuable considerations paid to each of the undersigned, the undersigned agree to assign, and hereby does assign, transfer and set over to

Assignee: **ST VINCENT'S HOSPITAL SYDNEY LIMITED**
of Victoria Street, Sydney, New South Wales, Australia 2010

(hereinafter designated as the Assignee), the undersigned's entire right, title and interest for the United States, its territories, dependencies and possessions, and for the country of USA in the invention, and all application for patent and any Letters Patent which may be granted therefore, known as

Title: **METHODS OF DIAGNOSIS, PROGNOSIS AND TREATMENT OF
CARDIOVASCULAR DISEASE (Case No 4137-18)**

For which the undersigned have executed on even date herewith an application for patent in the United States of America or, if not on even date, then has executed on 6th January 2003 or has already filed in US Application No 10/172,497, filed on June 17 2002.

The undersigned acknowledges an obligation of assignment of this invention to said assignee at the time the invention was made.

The undersigned agree to execute all papers and documents necessary in connection with the application or any interference which may be declared and any continuing or divisional applications thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient and further to perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

The undersigned agree to perform all affirmative acts which may be necessary to obtain a grant of a valid United States patent to the Assignee.

The undersigned hereby authorize and request the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from said application or any division or divisions or continuing applications thereof to the said Assignee, as Assignee of the entire interest, and hereby covenants that they have full right to convey the entire interest herein assigned, and that they have not executed and will not execute, any agreement in conflict herewith.

The undersigned hereby grants the firm of NIXON & VANDERHYE P.C the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent Office for recordation of this document. It is understood and agreed that Assignee's attorneys NIXON & VANDERHYE P.C have represented only Assignee and will continue to represent only Assignee with respect to this invention.

In witness whereof, executed by the undersigned
