as described or intended to be described and set forth in an international application for patent under the Patent Cooperation Treaty, Application No. PCT/US93/12628 filed on 23 December 1993 in the United States Receiving Office, and designating the United States of America and Canada as designated states.

WHEREAS, NORAND CORPORATION, a corporation organized and existing under and by virtue of the laws of the State of Delaware, and having its principal place of business at Cedar Rapids, Iowa, is desirous of acquiring the entire right, title, and interest in and to said invention, improvements, international application, corresponding regional and national applications, and any Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof:

NOW, THEREFORE, to all whom it may concern, be it known that, for and in consideration of One Dollar (\$1.00) to us in hand paid, and other good and valuable considerations, the receipt of which is hereby acknowledged, we, the aforesaid inventors, have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto the said NORAND CORPORATION, its successors and assigns, the entire right, title and interest in and to said invention, improvements, applications, and any Letters Patent which may be granted therefor or thereupon, together with any and all divisions, continuations, reissues and extensions thereof, all our foreign rights to said invention, and all our rights under the International Convention in respect to said invention and applications, and authorize the said NORAND CORPORATION to apply for patents in foreign countries, claiming the filing date of the international application and any corresponding U.S. applications under the provisions of any relevant treaties. And I hereby agree to communicate to the said NORAND CORPORATION, or its representatives any facts known to us respecting said invention and improvements, to testify in any legal proceeding relating thereto, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and in addition to execute any and all documents that may be required in order that the said NORAND CORPORATION may make application for Letters Patent on said invention in foreign countries in its own name. And we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any Letters Patent which may be granted for or upon said invention or applications unto the said NORAND CORPORATION, its successors and assigns, in accordance with this assignment.

Signed at Cedar Rapids in the County of Linn, and State of Iowa, this
