ASSIGNMENT

WHEREAS, I, Mitchell E. Albert, have invented a certain new and useful invention entitled, High Capacity Bulk Material Transportation and Discharge Method and System, for which a utility application for Letters Patent of the United States has been filed, said application being identified as Serial No. 10/292,561 and filed on November 12, 2002;

NOW THEREFORE, be it known that I, the said inventor, for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee do sell, assign and transfer unto said assignee, Bulk Unloading BA, LLC, a limited liability company having a place of business at 50 East Main Street, Mount Joy, PA 17552, its successors, legal representatives and assigns, the entire right, title, and interest for all countries, in and to any and all improvements which are disclosed and claimed, and as possessed by the undersigned, any and all improvements which are disclosed but not claimed, in the aforesaid application for United States Patent, which has been executed and dated by the undersigned, and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be issued on said improvements; and all Invention Registrations, Utility Models, Extensions or other patent rights, obtained for the invention in the United States or any other country; I also assign any right, title or interest in and to the invention which has not already been transferred to the assignee; I warrant that this "Assignment" completely satisfies an "Agreement to Assign" dated November 8, 1998 for the aforesaid mentioned work and subsequent patent, and that I have made no assignment of the invention, application or patent therefor to a party other than Bulk Unloading BA, LLC, and I am under no obligation to make any assignment of the invention, application, or patent therefor to any other party; and I further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention, but at the expense of said assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Bulk Unloading BA, LLC, its successors, legal representatives and assigns, as the assignee of the entire right, title and interest therein.

IN WITNESS WHEREOF, the party hereto has executed this Assignment as of the date indicated hereunder.
