ASSIGNMENT AGREEMENT

This is an agreement between Hazen Research, Inc., a Colorado corporation having a place of business at 4601 Indiana Street, Golden, Colorado 80403 ("Hazen") and Energy Technologies Group, Inc., a Colorado corporation having a place of business at 8451 Delaware Street, Thornton, Colorado 80260 ("ETG"). This Agreement is to be effective upon complete execution of the signature blocks provided below.

WHEREAS, Steven P. Sherwood, has developed certain technology related to the production of higher molecular weight hydrocarbons from lower molecular weight hydrocarbons under an obligation of assignment to Hazen, such technology being embodied in various United States Patent Applications and being hereinafter referred to as "Sherwood Technology;"

WHEREAS, Sherwood has assigned the Sherwood Technology to Hazen by way of certain assignments attached hereto as Attachments A and B.

NOW THEREFORE, be it known that for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of ETG, Hazen hereby sells, assigns and transfers unto ETG, its successors, legal representatives and assigns, the aforesaid Sherwood Technology. Hazen warrants that it has made no assignment of the Sherwood Technology to a party other than ETG and it is under no obligation to make any assignment of the Sherwood Technology to any other party.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to ETG, its successors, legal representatives and assigns, as the assignee of the entire right, title and interest therein.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment Agreement as of the date indicated hereunder.

ASSIGNMENT

WHEREAS, I, Steven P. Sherwood of 10182 Foxridge Circle, Highlands Ranch, Colorado 80126, have invented a certain new and useful invention entitled "METHOD FOR PRODUCTION OF HYDROCARBONS" for which an application for Letters Patent of the United States has been prepared for filing, said application being identified as Attorney File No. 1011-125 and executed on even date herewith;

NOW THEREFORE, be it known that for and in consideration of certain good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, at the request of the assignee I do hereby sell, assign and transfer unto said assignee, Hazen Research, Inc., a Colorado corporation having a place of business at 4601 Indiana Street, Golden, Colorado 80403, its successors, legal representatives and assigns, the aforesaid application for the territory of the United States of America and all continuation, divisional, continuation-in-part and reissue applications, all patent applications in foreign countries, all applications pursuant to the Patent Cooperation Treaty and all applications for extension filed or to be filed for the invention, and all Letters Patent, Invention Registrations, Utility Models, Extensions or Reissues and other patent rights, obtained for the invention in the United States or any other country. I also assign any right, title or interest in and to the said invention which has not already been transferred to the assignee and warrant that I have made no assignment of the invention, application or patent therefor to a party other than Hazen Research, Inc. and I am under no obligation to make any assignment of the invention, application, or patent therefor to any other party; and I further agree to cooperate with the assignee hereunder in the obtaining and sustaining of any and all such Letters Patent and in confirming assignee's exclusive ownership of the invention, but at the expense of said assignee.

The Commissioner of Patents is hereby authorized and requested to issue the Letters Patent solely in accordance with the terms of this Assignment, to Hazen Research, Inc., its successors, legal representatives and assigns, as the assignee of the entire right, title and interest therein.

IN WITNESS WHEREOF, I have executed this Assignment as of the date indicated hereunder.
