## ASSIGNMENT

Whereas, Creative Product Development Inc., a Connecticut corporation, whose address is 91 Willenbrock Rd., Bldg. A-2, Oxford, CT 06478, has acquired certain inventions and discoveries set forth in an application for Letters Patent of the United States of America, entitled ROOF SCUTTLE SAFETY RAILING SYSTEM executed on February 6, 2003.

Whereas, The Bilco Company, a Connecticut corporation, whose address is 37 Water Street, West Haven, Connecticut 06516, together with its successors and assigns is hereinafter called "Assignee", is desirous of acquiring the title, right, benefits and privileges hereinafter recited:

Now, Therefore, for good and valuable consideration furnished by Assignee, the receipt and sufficiency of which is hereby acknowledged, Creative Product Development Inc. does hereby, without reservation:

1. Assign, transfer and convey to Assignee the entire right, title and interest in and to said inventions and discoveries, said application for Letters Patent of the United States of America, any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all divisional, renewal, substitute, continuation and Convention applications based in whole or in part upon said inventions or discoveries, or upon said applications, and any and all Letters Patent and reissues and extensions of Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications and said Letters Patent, together with all claims for damages by reason of past infringement of said Letters Patent with the right to sue for and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives;

2. Authorize Assignee to file patent applications in any or all countries on any or all of said inventions and discoveries, in the name of Assignee or otherwise as Assignee may deem advisable, under the International Convention or otherwise;

3. Authorize and request the Commissioner of Patents of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title and interest therein or otherwise as Assignee may direct;

4. Bind the heirs, legal representatives and assigns of Creative Product Development Inc., to do, upon Assignee's request and at its expense, but without additional consideration, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by Creative Product Development Inc., its heirs, legal representatives and assigns if this
