PATENT ASSIGNMENT

WHEREAS, I, Martin Moberly, am a co-inventor of the invention set forth in US Patent Application Serial Number 09/606,321, filed June 28, 2000, and titled CIGARETTE LIGHTER CLIP (hereinafter "the Application");

WHEREAS, David Torres is a co-inventor of the invention set forth in the Application, and is desirous of acquiring my entire right, title and interest in the Application and any Letters Patent that may issue thereon;

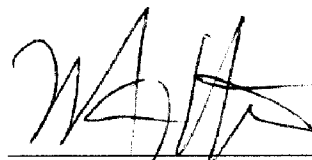

WHEREAS, David Torres and Martin Moberly are the only co-inventors of the invention set forth in the Application;

NOW THEREFORE, be it known by all whom it may concern that for and in consideration of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and other good and valuable consideration, I hereby assign to David Torres, both in and for the territory of the United States of America and the entire world, all my title and interest in and to said invention, the Application and any patent which may issue thereon, including all priority rights for patent applications foreign to the United States of America, and including any divisional, continuation and continuation-in-part application that may be filed thereon, and any re-issue or re-examination that may be filed on any issued patent thereof.

I HEREBY covenant and agree that I will at any time, upon the request and at the expense of David Torres, or his successor in interest, execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said invention, applications and patents, and I authorize the Assistant Commissioner for Patents to issue Letters Patent to David Torres.

I HEREBY declare that this assignment of all rights is freely made, and is my intentional act. All statements made of my own knowledge are true, and all statements made on information and belief are believed to be true. I know that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

IN TESTIMONY WHEREOF, I execute this assignment on the 20 day of MAY, 2002.

Martin Moberly
