ASSIGNMENT

I, Dan Nugteren, citizen of U.S.A, residing at 516 16th Street, Spirit Lake, Iowa 51360, and I, John Thompson, citizen of U.S.A., residing at 200 27th Street, Spirit Lake, Iowa 51360, (Assignors) have made an invention relating to PERSONAL WATERCRAFT HAVING A PREFORMED RUB RAIL and have executed an application for United States Patent based thereon and identified by attorney's File No. 10739.18.68 and naming the following inventors: Dan Nugteren and John Thompson, Application No. 10/422,348 filed April 24, 2005. We hereby authorize Craig F. Taylor of 200 South Sixth Street, Minneapolis, Minnesota, 55402, to insert the Application No. and filing date of said application when known.

In exchange for good and valuable consideration, the receipt of which we now acknowledge, we hereby assign to Polaris Industries Inc., a Delaware corporation of 2100 Highway 55, Medina, Minnesota 55340-9770 (Assignee), successors and assigns:

- (1) The entire right, title and interest to the above-identified invention and application, and to each provisional and other application from which this application claims priority in whole or in part;
- (2) The entire right, title and interest to any United States or foreign Letters Patents which may issue with respect to the above identified invention;
- (3) The entire right, title and interest to any renewals, reissues, extensions, substitutions, continuations, continuations-in-part, or divisions that may be filed with respect to the above identified invention and application; and
- (4) The right to apply for Letters Patents in foreign countries in its own name and to claim any priority rights to which such foreign applications are entitled under international conventions, treaties or otherwise.
- (5) The right to enforce patent rights to such application and Letters Patents as fully and entirely as the same would have been held and enjoyed by the Assignors if this assignment had not been made; together with all claims by Assignors for damages by reason of past infringement or for provisional rights and including the right to sue for, and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns, and other legal representatives.

We further agree for ourselves and for our heirs, executors and administrators, to execute and deliver without further consideration any further applications, assignments or other documents and to perform such other lawful acts as Polaris Industries Inc., its successors and assigns may deem necessary to fully secure, maintain and enforce its rights, title or interest as outlined herein.

We hereby authorize and request the Commissioner of Patents and Trademarks to issue to Polaris Industries Inc. any Letters Patents which may be granted in accordance with this Assignment.

This Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement. The signatures from each counterpart may be combined with a copy of the Agreement to constitute the entire Agreement.
