ASSIGNMENT

(SOLE)

THIS ASSIGNMENT, by Seiji MATSUMOTO, residing at Hyogo, Japan
 _____ (hereinafter referred to as "the Assignor"), witnesseth:

WHEREAS, the Assignor has invented certain new and useful improvements in _____
 "TELETEXT DATA SEPARATION APPARATUS" _____ set forth
 in an application, [] which is a provisional application to be filed herewith; [x] which is a non-
 provisional application having an oath or declaration executed on even date herewith prior to filing
 of application; [] bearing Application No. _____, and filed on _____
 _____; and

WHEREAS, See the attachment _____, a corporation duly
 organized under and pursuant to the laws of Japan, and having its principal place of business
 at See the attachment _____ (hereinafter
 referred to as "the Assignee"), is desirous of acquiring the entire right, title, and interest in and to
 said inventions, the right to file applications on said inventions and the entire right, title and interest
 in and to any applications, including provisional applications for Letters Patent of the United States
 or other countries claiming priority to said application, and in and to any Letters Patent or Patents,
 United States or foreign, to be obtained therefor and thereon.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient
 consideration, the receipt of which is hereby acknowledged, the Assignor has sold, assigned,
 transferred, and set over, and by these presents does sell, assign, transfer, and set over, unto the
 Assignee, its successors, legal representatives, and assigns the entire right, title, and interest in
 and to the above-mentioned inventions, the right to file applications on said inventions and the
 entire right, title and interest in and to any applications for Letters Patent of the United States or
 other countries claiming priority to said application, and any and all Letters Patent or Patents of the
 United States of America and all foreign countries that may be granted therefor and thereon, and
 in and to any and all applications claiming priority to said applications, divisions, continuations, and
 continuations-in-part of said applications, and reissues and extensions of said Letters Patent or
 Patents, and all rights under the International Convention for the Protection of Industrial Property,
 the same to be held and enjoyed by the Assignee, for its own use and behalf and the use and
 behalf of its successors, legal representatives, and assigns, to the full end of the term or terms for
 which Letters Patent or Patents may be granted as fully and entirely as the same would have been
 held and enjoyed by the Assignor had this sale and assignment not been made;

AND for the same consideration, the Assignor hereby covenants and agrees to and with
 the Assignee, its successors, legal representatives, and assigns, that, at the time of execution and
 delivery of these presents, the Assignor is the sole and lawful owner of the entire right, title, and
 interest in and to the inventions set forth in said applications and said applications, including
 provisional applications, above-mentioned, and that the same are unencumbered, and that the
 Assignor has good and full right and lawful authority to sell and convey the same in the manner
 herein set forth;

AND for the same consideration, the Assignor hereby covenants and agrees to and with
 the Assignee, its successors, legal representatives, and assigns that the Assignor will, whenever
 counsel of the Assignee, or the counsel of its successors, legal representatives, and assigns, shall
 advise that any proceeding in connection with said inventions or said applications for Letters Patent
 or Patents, or any proceeding in connection with Letters Patent or Patents for said inventions in

any country, including interference proceedings, is lawful and desirable, or that any application claiming priority to said application, division, continuation, or continuation-in-part of any applications for Letters Patent or Patents, or any reissue or extension of any Letters Patent or Patents to be obtained thereon, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of Letters Patent or Patents for said inventions, without charge to the Assignee, its successors, legal representatives, and assigns, but at the cost and expense of the Assignee, its successors, legal representatives, and assigns;

AND the Assignor hereby authorizes and requests the attorneys of BURNS, DOANE, SWECKER & MATHIS, L.L.P. of Alexandria, Virginia, to insert in the spaces provided above the filing date, application number, and attorney docket number of said application when known.

AND the Assignor hereby requests the Commissioner of Patents to issue any and all said Letters Patent of the United States to the Assignee, as the Assignee of said inventions and the Letters Patent to be issued thereon for the sole use and behalf of the Assignee, its successors, legal representatives, and assigns.
