ASSIGNMENT BY INVENTOR

WHEREAS, I, James E. Gallagher, a citizen of the United States of America, residing at 1514 Scenic Shore Drive, Kingwood, Texas 77345, (hereinafter "the Assignor"), is the inventor and owner of a certain new and useful invention(s) and improvement(s) entitled "METHOD FOR DETERMINING FLOW VELOCITY IN A CHANNEL" (hereinafter "Invention"), as set forth in United States Patent No. 6,494,105, filed May 7, 1999, and issued on December 17, 2002; and

WHEREAS, Savant Measurement Corporation, a corporation duly organized under and pursuant to the laws of Texas having its principal place of business at 3427 Rivers Edge Trail, Kingwood, Texas 77339 (hereinafter "the Assignee"), is desirous of acquiring the entire right, title and interest in and to said Invention and said United States Patent in and to any Application for Letters of Patent of the United States filed on said Invention, in and to any United States or corresponding foreign application claiming the benefit of the filing date of said United States Patent, and in and to any Letters Patent of the United States and all foreign countries to be obtained therefor and thereon.

NOW, THEREFORE, Assignor, for and in consideration of One Dollar (\$1.00) cash in hand paid to them and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby SELL, ASSIGN and CONVEY unto Assignee all right, title, and interest throughout the world in and to:

1. Said Invention and improvements in "METHOD FOR DETERMINING FLOW VELOCITY IN A CHANNEL;"
2. United States of America Patent No. 6,494,105, filed May 7, 1999, and issued December 17, 2002;

3. All applications for patent or like protection on said Invention that have now been or may in the future be made by Assignor or his legal representatives, whether in the United States of America or any other country or place anywhere in the world;

4. All patents and like protection that have now been or may in the future be granted on said Invention to Assignor or his legal representatives, whether in the United States of America or in any other country or place anywhere in the world;

5. All substitutions for and divisions, continuations, continuations-in-part, renewals, reissues, extensions, and the like of said applications and patents and like grants, including without limitation, those obtained or permissible under past, present and future law or statutes;

6. All rights of action on account of past, present and future unauthorized use of said Invention and for infringement of said patents and like protection;

7. The right to Assignee to file in its name applications for patents and like protection for said Invention in any country or countries foreign to the United States; and

8. All international rights or priority associated with said Invention, applications, patents and like protection.

AND for the same consideration, Assignor hereby represents and warrants to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignor is the sole and lawful owners of the entire right, title and interest in and to said Inventions and application for Letters Patent above-mentioned, and that the same are unencumbered and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth.

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the

procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said Invention, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said Invention, or said Provisional application for Letters Patent, or any proceeding in connection with any Letters Patent or applications for Letters Patent for said inventions in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any division, continuation or continuation-in-part of any application for Letters Patent, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignor hereby requests the Commissioner of Patent and Trademarks to issue any said Letters Patent of the United States to Assignee, as Assignee of said Invention and the Letters Patent to be issued thereon, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

AND Assignor hereby grants the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:
