ASSIGNMENT

Whereas, ewireless, inc. ("ewireless") owns all right, title and interest in the U.S. Patents and patent applications which are set forth on the attached list ("Issued U.S. Patents" and "Pending U.S. Patents" respectively, and collectively the "Patents") and owns any and all inventions claimed therein; and, William Reber L.L.C., an Illinois Limited Liability Company ("Reber"), desires to own ewireless' entire right, title and interest in and to the inventions contained in the Issued U.S. Patents and the Pending U.S. Patents.

NOW Therefore, be it known that, for good and valuable consideration, receipt of which is hereby acknowledged, ewireless hereby sells, assigns, transfers, and sets over to Reber ewireless' entire right, title and interest in and to the Patents, the inventions claimed therein, any other patent applications as of the date of this Assignment which are directed to the invention, and all Letters Patent of the United States that may be granted thereon, and all rights to claim priority on the basis of such application(s); and ewireless hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States to issue all Letters Patent hereafter in accordance with the terms of this Assignment.

AND, ewireless hereby further covenants that ewireless has the full right to convey the interest assigned by this Assignment, ewireless will take all action and execute all documents necessary to perfect the interest assigned hereby, and ewireless has not executed and will not execute any agreement in conflict with this assignment.

AND, ewireless hereby further covenants and agrees that ewireless will, without further consideration, communicate with Reber any facts known to ewireless, its officers, employees or affiliates with respect to the Patents and to testify in any legal proceedings, sign all lawful papers when called upon to do so, execute and deliver all papers necessary or desirable to perfect the title to the Patents in Reber, execute all divisional and continuation applications, make all rightful oaths, and generally do everything possible to aid Reber to obtain and enforce proper patent protection for the Patents in the United States.

IN TESTIMONY WHEREOF, the Parties hereto duly authorized have executed this Assignment as of the date set forth.
