CROSS-ASSIGNMENT

Whereas, Maxtor Corporation (hereinafter "Maxtor"), a Delaware corporation having a place of business at 2452 Clover Basin Drive, Longmont, Colorado 80503, is an owner of right, title and interest in United States Patent Application Serial No. 10/077,200 filed on February 15, 2002 and entitled "Patterned Medium" (hereinafter "the Patent Application"), any inventions described therein, and any and all continuations, continuations-in-part, divisions, reissues and other related applications, by virtue of agreements with Michael McNeil and John Vicars, joint inventors of the Patent Application, copies of the agreements with Michael McNeil and John Vicars being attached hereto; and

Whereas, Komag, Incorporated (hereinafter "Komag"), a Delaware corporation having a place of business at 1710 Automation Parkway, San Jose, CA 95131, is an owner of right, title and interest in the Patent Application, any inventions described therein, and any and all continuations, continuations-in-part, divisions, reissues and other related applications, by virtue of an agreement with David Wachenschwanz, a joint inventor of the Patent Application, a copy of the agreement with David Wachenschwanz being attached hereto;

Now, therefore, for good and valuable consideration, receipt of which is hereby acknowledged, Komag does hereby sell, assign and transfer unto Maxtor a fifty percent (50%) undivided right, title and interest in and to Komag's right, title and interest in the Patent Application, and any inventions described therein, for the territory of the United States Of America, and in and to any and all continuations, continuations-in-part, divisions, reissues and other related applications, and extensions thereof, and in and to any Letters Patent to issue therefrom, together with the right to extend the protection of such Letters Patent to the various territorial possessions now owned or which may be hereafter acquired by the United States Of America; and Komag warrants that it has made no assignment of the Patent Application, any inventions described therein, any related applications, or any Letters Patent to issue therefrom, to a party other than Maxtor and is under no obligation to make any such assignments; and Komag further agrees to cooperate with Maxtor in confirming Maxtor's fifty percent (50%) undivided ownership of the Patent Application, any inventions described therein, any related applications, and any Letters Patent to issue therefrom, without further consideration, but at the expense of Maxtor; and

Now, therefore, for good and valuable consideration, receipt of which is hereby acknowledged, Maxtor does hereby sell, assign and transfer unto Komag a fifty percent (50%) undivided right, title and interest in and to Maxtor's right, title and interest in the Patent Application, and any inventions described therein, for the territory of the United States Of America, and in and to any and all continuations, continuations-in-part, divisions, reissues and other related applications, and extensions thereof, and in and to any Letters Patent to issue therefrom, together with the right to extend the protection of such Letters Patent to the various territorial possessions now owned or which may be hereafter acquired by the United States Of America; and Maxtor warrants that it has made no assignment of the Patent Application, any inventions described therein, any related applications, or any Letters Patent to issue therefrom, to a party other than Komag and is under no obligation to make any such assignments; and Maxtor further agrees to cooperate with Komag in confirming Komag's fifty percent (50%) undivided ownership of the Patent Application, any inventions described therein, any related applications, and any Letters Patent to issue therefrom, without further consideration, but at the expense of Komag.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue any Letters Patent arising from the Patent Application in accordance with the terms of this Assignment, jointly to Maxtor, its successors and assigns, and to Komag, its successors and assigns.
